*All performance figures are given in good faith and are intended as an indication. These figures cannot be guaranteed as top speed in particular is affected by the cleanliness of the hull, conditions of the propellers, weight carried and air/sea temperature. Performance is related also to the optional accessories selected. SEALINE reserves the right to change specifications in line with the company policy of improvement through research and development. Errors and omissions expected. Please check with your dealer for a full list of inclusions.
