FJORD 

impressive design

What makes the *FJORD 40 open* so special are her characteristic lines and innovative design which give her an unique, modern look. Vertical bow, sharp edges, precise horizontal lines and clean surfaces: these are elements of a style reduced to the minimum. Each detail is created exactly according to its function. Furthermore, the *FJORD 40 open* is finished with many special features that will blow you away.

- / new exciting design, shaped like no other yacht with her vertical bow and long, crisp lines
- / frameless windshield creates unlimited open feeling
- / individually hand-built for the client by boatbuilding craftsmen
- / every single *FJORD 40 open* is unique, a beautifully customized one-off

*feel free
wherever you are*

outstanding performance

*Get into gear once again! The experience starts with the first turn of the ignition key. Before you begin to pull out of the marina, you realize you're experiencing a new class of motor yachts. The In-board Performance System of the Volvo Penta allows you to elegantly turn out of the marina and powerfully lift the bow out of the water. But the most surprising thing for you and your passengers will be how quiet the **FJORD 40 open** is, no matter what the performance demands are.*

- / spacious sports cruiser with excellent performance and efficiency in all conditions, even the most extreme!*
- / up to 40 knots, great feel and high fun factor*
- / long range capability*

power for propulsion: two Volvo IPS engines with 370 hp or 435 hp

comfortable handling

Wherever you pop up with the *FJORD 40 open*, you will attract the jealous looks of admirers – even on the most exclusive coasts. But an incredibly unique experience is reserved just for you; docking the Open. With the magnificent IPS propulsion system, you can park your Open, exactly where you want to: in narrow ports, on a big yacht or on jetty for the port bar.

- / easy handling and precise docking with joystick control
- / functional – tremendously dry with great storage for diving equipment or for wake boarding
- / hydraulic anchor arm

easy to use: the electric anchor

safe & relaxing

*The relaxation begins with your first step on the **FJORD 40 open**. Serve cool drinks to your family and friends in the spacious seating area in the aft and turn the ignition key. You can hardly hear the motors start. Once its two powerful Volvo engines have got delivered you far enough offshore, the children can have fun jumping off the bathing platform and you relax on your king size sun lounger – or have a party on board.*

- / hull from serial production, proven boat design by Patrick Banfield*
- / huge bulwarks to make the stay on board safer*
- / kitchen, bar with refrigerator, helm station all on one level*
- / spacious, comfortable seating areas for 8 passengers*
- / large relaxing spaces for lounging with unique shade options*
